PERSONAL PROFILE

All creative work requires an understanding and appreciation of technical challenges. These challenges are to be seen as opportunities to innovate and expand creativity. With every title I have worn, I have learned a new methodology for delivering an interactive product. I like to work hard and tell everyone it was easy.

SOFTWARE

Adobe Photoshop

Creating and manipulating graphics is a mandatory skill set in any creative environment

Adobe Illustrator

Vector graphics are incredibly useful and adaptable to any sizing requirements.

Web Development

HTML / CSS / jQuery

These three programming languages combined with photoshop and media can create any online presence you wish to establish or expand on.

CAREER HISTORY

Genesis Gaming

Production Artist
06.2012 - 07.2014

My responsibilities were to assist both the engineering team and the art team with production assets. This eventually grew into assisting our global teams including marketing in London and the Genesis Vancouver team.

eBizAutos

Web Designer
08.2011 - 03.2012

eBizAutos creates and manages car dealership websites. My responsibilities were to create dealership brands and apply them to their online presence, ranging from ppc ads to online dealership inventory.

Explore Talent

Creative Team Lead
12.2010 - 08.2011

Initially my workload consisted of creating websites to drive traffic to the primary social network. This eventually evolved into leading a team of designers locally and in China to establish the brands new identity.

Unique HHC

Web Designer
04.2010 - 12.2010

I was hired as a data entry specialist, this grew into redesigning their healthcare website, and eventually being part of a team responsible for designing and developing a job search network.

MyContactCard

Graphic Designer
10.2008 - 02.2009

MyContactCard was a start up company that wanted to create an e-mail signature marketplace. I was part of a large team of designers tasked with creating custom email signatures for companies such as Livestrong and Epitaph Records.

Cytek Studios

Jr. Graphic Designer
09.2007 - 06.2008

Cytek Studios is a premier web design studio. My responsibilities began with assisting with design and grew into being a trusted artist.
